Monica Kelsey

Monica went from being ABANDONED, to saving abandoned babies. Join us and hear the heart wrenching story of how she was conceived by rape and left at a hospital in 1973. She will take us through her life journey, often painful, and show that God has a plan and mission for each of us. Her organization, Safe Haven Baby Box offers mothers in crisis a 24-hour hotline, free counseling and assistance and the baby box as a last resort option. There are currently 30+ Safe Haven Baby Boxes in Kentucky, and more on the horizon. You don't want to miss hearing her story.
